

## Approved Certifications List

In order to qualify for the Bridge to Jobs program, a candidate must meet **1** of 3 requirements:

1. A high school diploma or equivalent issued by a US Institution; **or**
2. A qualifying score on the City's Bridge to Jobs Aptitude Test; **or**
3. An approved certification. This document provides an overview of current certifications the Bridge to Jobs Program accepts **for specific classifications (job pathways)**. A candidate with an approved certification qualifies them for that **specific** classification (job pathway). If they wish to apply for other job pathways, they will still need to submit either a high school diploma/equivalent or sign up to take the City's Bridge to Jobs Aptitude test.

The only classifications (job pathways) that have acceptable certifications at this time are:

- Electrical Craft Helper Trainee
- Maintenance & Construction Helper Trainee
- Security Officer Trainee

**The following are the approved certifications per classification:**

### **Electrical Craft Helper Trainee**
